

Summer Interns

Moray East is a joint venture project backed by Energias de Portugal Renewables, Engie, Diamond Generating Europe and China Three Gorges, working to construct one of the largest offshore windfarms in the world, which will be built in the Moray Firth 22km from the coast of North East Scotland. When complete the windfarm will comprise 100 wind turbines, with a power output of 950MW.

The construction phase of the project is now underway and we are now looking for Interns to join us for a three month placement during the Summer months. If you are currently studying an Engineering related subject and have an interest in Renewable Energy, we would like to hear from you.

Moray East is a very dynamic and exciting project to work in, with a truly multi-national and multicultural team of people at its core. The scope of work is fast paced, varied and challenging and involves working alongside and interacting with a wide variety of investors, clients and stakeholders.

Candidates should possess the following essential attributes:

- Currently Studying an Engineering related subject at University/College Level
- A genuine interest in the Renewable Energy Industry
- Excellent communication skills with the ability to interact confidently with stakeholders at all levels
- Self-motivated with an intrinsic drive to succeed.
- Inquisitive, capable of asking questions, can challenge others and capable of proposing their own solutions/ideas.
- Well-developed emotional intelligence and self-awareness.

The internships will be based in Edinburgh City Centre at the Project Head Office which is located in the Atria One building on Morrison Street. The normal working hours are 08:30 – 17:30 from Monday to Friday (40 per week).

Successful candidates must be available to work for a period of 12 weeks between the months of June to September.

For further information, or to apply with an up-to-date CV and covering letter, outlining your motivations and relevant academic/professional experience to date, please email recruitment@morayeast.com
